

§ 362.102 Property added.

Property added shall be reported, together with its cost, separately from property retired and shall be reported by actual "in place" quantities in terms of the units shown in the "List of Units to be used in connection with valuation order No. 3. Second Revised Issue," with descriptive detail to conform with that therein prescribed, or as modified by § 362.129 of the instructions in this part.

CROSS REFERENCE: For statement of property units added and retired and their costs, see § 362.20.

§ 362.103 Cost of property added.

(a) The amounts reported as the cost of property added shall be only those that affect the investment in road and equipment except as hereafter provided with respect to lands, miscellaneous physical property, and cost of road acquired through purchase, merger, consolidation or reorganization, and reconstruction of road so acquired.

(b) The cost reported need be only the total cost of each structure as defined in § 362.121, the total cost for each mass account as defined in § 362.120 of the instructions, or as prescribed by the subschedules.

(c) Except that when changes are reported under the unit designation "lot," the cost applicable to such unit shall be also reported.

(d) The costs to be reported for betterments shall be computed in accordance with the rules in the effective accounting regulations. With respect to costs to be reported for track changes in connection with betterments applied, the costs to be reported for account 9, Rails, shall be the cost of the excess in weight of heavier rails laid in replacement of lighter rails; for account 10, Other track material, the excess cost of heavier or improved track material; and for account 11, Ballast, the excess cost of improved ballast. (Added by order of April 17, 1976.)

(e) A supplemental Form No. 588-R shall be filed for account 9, Rails, account 10, Other track material, and account 11, Ballast, bringing the property costs, as shown in the valuation records of the Commission, into conformity with the costs recorded in the

books of account pursuant to revised Instruction 2-19 of the accounting regulations. Carriers which recorded costs as shown in valuation records in their books of account at time of reorganizations shall file a supplemental Form 588-R for the period subsequent to the reorganization.

CROSS REFERENCE: For statement of property units added and retired and their costs, see § 362.20. For subschedules, see § 362.118.

§ 362.104 Property retired.

Property retired shall be reported separately from property added, and shall also be reported in terms of the units shown in the "List of Units" (§ 362.200(c)) previously referred to, with descriptive details to conform with those therein prescribed, except however, property included in the basic valuation reports and subsequently retired may be stated in terms of the units shown therein. The retirement of a complete structure individualized in the basic reports need be described only to the extent necessary to permit ready identification of such structure in the basic reports.

§ 362.105 Retirement quantities.

(a) In reporting retirements of property which was included in the final valuation reports of the Commission the quantities thereof shall agree with the quantities included in the final Engineering Report. If loss and waste is included in the reported quantities, a note to that effect shall be made.

(b) In reporting retirements of property which was not included in the final valuation reports of the Commission, but subsequently included in the records and reports prepared in compliance with valuation order No. 3, the quantities shall conform with the record covering the installation of such property.

§ 362.106 Costs applicable to property retired other than land.

(a) The costs to be reported applicable to property retired other than land shall be:

(1) In column 12, the cost of reproduction new for property included in the basic valuation report, for equipment report also the original cost in column 11.
